

Computer Applications and Quantitative Methods in Archaeology

Conference and Annual Meeting 2025

Friday, **11 April 2025**

University of Zurich, Rämistrasse 73, Room E6

Digital Landscapes

The participation in the conference as well as the membership of CAA-Switzerland is free of charge. Voluntary contributions to the reception are welcome. To register for the conference, please send an email to info@caa-switzerland.ch. You may also attend spontaneously on the day of the conference, without prior registration.

Workshops

10:00–12:00: **Chronological Modelling with ChronoLog** (Eythan Levy, Universität Zürich)
Virtuously virtual (Oliver Bruderer, Digital Visualisation Lab, Universität Zürich)
Structuring Archaeological Data (Emmanuel Clivaz, AnalyticBase Sàrl)
Mehr LiDAR wagen! (Timo Geitlinger, Universität Zürich)

The workshops take place between 10 and 12 am. For further information as well as the registration for the workshops, please refer to: <https://forms.gle/piBz mh2NcN7mYVXj9>

Conference
